About the Game

A beloved card classic, Scopa - reborn with the maths swept away.

It's a game of chicken: strike too soon and you waste it, too late and you lose it.

Starring the most loveable pack of cartoon dogs - plus cute puppy tokens.

Features

Short, sharp rounds - play four cards, sweep, then deal again.

A minute to learn - dead-simple rules, anyone can play.

Tension in every turn - each card you hold is a dare to wait.

Push your luck - score now, or wait for a better reward?

How to Play

Components:

45 cards, scoring tokens

Deal four

4 Cards each, numbered 1-9. There's 1x1, 2x2s, 3x3s etc. The 4s are special.

Play to the Park

Play one dog card face-up into the Park at the centre.

Call Wagaroo!

You may Capture: take every card equal to yours, or every card higher.

Once, then out

You can only Wagaroo once a round; the instant you do, you're done. But you must still play cards!
